

2021-2022

BITE2GO SCHOOL YEAR

REPORT CARD

YEAR AT A GLANCE

COVID-19 was still with us through the 2021-22 school year but it was a relief to all of us to have kids back in school and to be able to distribute Bite2Go through our great network of adoptive organizations and school staff.

Bite2Go helped fill the weekend food gap for **3,690** students in Spokane and Stevens Counties last school year. Thanks to the tremendous generosity of sponsors, including churches, businesses, clubs, and individuals, Bite2Go served **77** elementary schools each week. While many students in Spokane and Stevens Counties qualify for free or reduced-price school meals, many of these same kids face chronic food shortages at home and, without Bite2Go, they would not get enough to eat on Saturdays and Sundays.

Bite2Go provides kids with a mix of easy-to-open, single-serving, nutritious, nonperishable food items for meals and snacks over the weekend during the school year. Bite2Go helps kids get the nutrition they need over the weekend, so they come to school ready to learn on Monday morning.

OUR GENEROUS ADOPTIVE ORGANIZATIONS

By the end of the 2021-22 school year, **3,690 schoolchildren a week at 77 schools were receiving Bite2Go food kits** to fill the weekend food gap. Second Harvest values its partnership with an incredible Spokane nonprofit, At The Core (lifeatthecore.org), which has taken the lead in recruiting the following adoptive organizations for **elementary** schools in the greater Spokane area.

"We know that what we can provide through Bite2Go makes a meaningful impact in our community, not just today in those students' lives, but an impact that is life long."

-Krista Lack, Life Center Church

"From a student's perspective, they look forward to receiving their food bags on Friday to enjoy over the weekend. I have students asking me weekly if they can get on the program because their family needs some extra food."

-Steve Barnes, Principal of Lidgerwood Elementary
